

THE TITO SOFA

**MODULAR.
CUSTOMIZABLE.
MAKE IT YOUR OWN.**

FEATURES

This is no ordinary sofa. It's also a bed, or 2, or 3, or 4! And bench seating. And coffee table(s) (just place one of the panels on top of a cushion and tie it up). And a fort? The possibilities are as expansive as your imagination.

Here are some of the features:

- + Customizable: choose a single color/fabric for the whole sofa, or select a different color/fabric for each cushion
- + Reconfigurable: cushions are all the same size, and can be used interchangeably as seats, arms, ottomans, or coffee tables
- + Easily turns into a comfy bed
- + Easy to move from place to place (to place): just a few screws sets it up or takes it apart
- + Cushion covers are removable and washable
- + Can be used outdoors with optional outdoor fabric & Douglas fir wood
- + Foam is tested to last 7-10 years
- + 1 Year Warranty
- + Made in Los Angeles

MATERIALS AND OPTIONS

Our standard pricing includes the following standard materials:

Standard Materials (Indoor Sofa)

100% cotton canvas cushion covers, medium-firm polyurethane foam, poly batting, baltic birch plywood panels.

Standard Materials (Outdoor Sofa)

Heavy-duty Ottertext® weatherproof canvas cushion covers, medium-firm polyurethane foam, solid Douglas fir wood panels.

Or customize it with the following options, and we will send you a price quote:

- + Bean-bag style (shredded, recycled foam)
- + Custom fabrics: upgrade to 100% wool from Knoll®, etc.
- + Custom colors for wood panels
- + Panel style: with or without circles
- + Arm-top panels for drinks / food
- + Half-size cushion add-ons to create standard bed dimensions
